

Terms of Use

These Terms of Use are applicable to all users of EEGHUB. Users should read, understand and accept these Terms when accessing EEGHUB. If a given user has not done this, or does not agree with the contents of these Terms of Use, that user should not make use of any of the services provided via EEGHUB.

By accepting these Terms of Use, the user enters into an agreement with EEGHUB made up by the contents of these Terms, in order to regulate the user's access and use of the EEGHUB. Users which accept these Terms of Use hereby represent and warrant that:

They accept to be bound by these Terms of Use, either individually, or in representation of an organisation;

They are capable, under the terms of the law applicable to them, to be legally bound by and comply with these Terms of use;

Their use of the EEGHUB will be carried out in accordance with all applicable laws and regulations;

In the event of doubts concerning the Terms of Use, EEGHUB may be contacted at: eeghub@gmail.com

For information on the processing of personal data on users which is carried out via the EEGHUB, please see the EEGHUB Privacy Policy.

1. Service provided

EEGHUB collected large volume of the Electroencephalogram-Brain Electrical Activity data of epileptic and ADHD patients and healthy population in Georgia and share data with international partners at KTH Royal Institute of Technology (KTH), Stockholm, Sweden and Lesya Ukrainka Eastern European National University (EENU), Lutsk, Ukraine.

The service is free for users following the FAIR (Findable, Accessible, Interoperable, and Reusable) principles. Service has convenient search engine, which allows users to identify any recordings that correspond to specific requirements. The recordings are easily accessible and can be downloaded for further exploitation. For opening the EDF files EDFbrowser is used.

The target users are researchers/practitioners, lecturer/students, Scientific Organization, Hospitals, Universities, etc. It is envisaged that EEGHUB will support researchers in the field of neuroscience, psychophysiology, medicine, psychology, neurophysiology, cognitive and social science.

2. Copyright / Intellectual Property

All rights are reserved by the Ivane Beritashvili Center of Experimental Biomedicine and David Tatishvili Medical Center, Tbilisi, Georgia.

3. Membership or subscription fees

EEGHUB is free for every user and no registration is required.

4. User data protection

The output of EEGHUB belongs to the users and we have no authority to use these results for our own benefit or to share them with others.

5. Liability
